

## **TESTIMONIES FOR THE AFRICAN CONFERENCE 2019**

I received connection to go for higher studies overseas through the prophetic declaration by this man of God.

**Pastor Nmecha N. David**

---

The Lord healed me in this conference and I have also been greatly blessed by this ministry.

**Deaconess Jane Lazarus**

---

I increased in faith by hearing the man of God say, "Any circumstance that comes your way, follow it by the word of God."

**Pastor Evanok Keke O.**

---

I had been delayed payment for the contract I had received for more than 2 months to design a structural drawing. On the first day of the conference after prayer I received the payment.

**S. O. N. Nwefe**

---

The Lord healed my spiritual and physical sickness at this conference. The Lord also intervened in my problems through the servant of God, Dr. Daniel O. C.

**Pastor Comfort M. Nwosu**

---

I received the book, The Art of Pioneering in 2017 and Believers and Ministries in 2018. Both books were exactly what I needed at both stages of my life as a minister. I had been transferred out of a

position and sent to my hometown Igbere, as a missionary and both these books were of immense help to my work these two years.

Hallelujah!

I am really transformed – no more anger. No more complaining against my wife. I maintain a positive attitude toward her always. I am seriously kingdom-minded. I have completed reading the Bible from Genesis to Revelation for the first time. I can now concentrate and pray for 8 hours and also do serious Bible study. The messages from the servant of God, Dr. Daniel O. C. penetrated my spirit through the Holy Spirit causing changes in me. I am completely a new man now! I praise the Lord for His work in me and for the servant of God sent from Singapore to speak to me.
