

WORD FOR THE WEEK

15th DECEMBER 2021

Calvary greetings to you in the blessed name of Jesus Christ our Saviour, Amen!

WHERE IS MY MIRACLE? (CONT'D)

The Word of God is full of miracles. Whether it is God's provision, protection or deliverance, the Bible is full of miracles, revealing the power and might of God!

God provided manna and quail for His people and today, He provides for all our necessities. He sent ravens to bring food for Elijah, He will make provision for all our needs. The garments and shoes of the people of Israel did not wax old because of God's miraculous power ([Deuteronomy 8:4](#)). He miraculously gave children to the barren, healed the sick and restored the dead back to life, Amen! He does the same today.

Who can count the miracles and the power of the Lord? Red Sea was divided. River Jordan was parted. The giants all fell at the power of the Most High. Storms stilled, needs met and miracles were always there for those who believed ([Romans 10:11](#)).

How about you? When was the last time you recall receiving a miracle in your life? It is not that the Lord is not able to perform but you have not believed for one. You have never stepped out in faith expecting the Lord to do a mighty work for you in your situation. Probably, you have never sought to know the Lord as the Living, Powerful, Miracle-working God for your life and situation.

It has been easy believing that the Lord could do miracles for those people in the Bible and for others who have had faith but not for yourself ([Daniel 11:32](#)). Do not be content reading just one verse in the Bible and hurriedly praying a two-minute prayer.

Know the Lord your God not just with your head but with your heart. Trust and believe that God who promised is able to perform for you in your life ([Romans 4:21](#)). Know that He is the same unchanging God who keeps His word to all His people. Stand boldly on the promises of the Word of God for your situation.

Is it a Red Sea or a River Jordan which cannot be crossed or protection from the threat of Goliath? God is able!

Is it rough and stormy sea or mountain obstructing your future, provision for food, financial difficulties, life partner problem or a long-desired child? God is able!

WORD FOR THE WEEK

15th DECEMBER 2021

Is it healing for an incurable disease, salvation for someone very dear, restoration of a broken marriage, a rebellious child problem or a miracle for a change in your life? God is a miracle worker!

Is anything too hard for the Lord who made heaven and the earth with His word ([Genesis 18:14](#))?

What is that miracle that you need in your life today? Speak the Word of God into your situation.

Exercise your faith and believe that the Lord can do a miracle for you.

Do not waver in faith, stand your ground firmly ([James 1:6](#)).

Stagger not at the promises of God through unbelief but be strong in faith, giving glory to God ([Romans 4:20](#)).

Rejoice and be glad for your miracle is here, only believe ([2 Chronicles 20:20](#) / [Isaiah 7:9](#)).

Remain blessed and rapturable,
Yours to reach this generation with the Gospel,
